

Hospital Incident Command (HICS IV) Workshop

THE NEED

The Hospital Incident Command System (HICS) was updated to its fourth version by the California Emergency Medical Services Authority. The update ensures compliance with the National Incident Management System (NIMS). **The Hospital Incident Command (HICS IV) Workshop** will highlight what is new with the Hospital Incident Command System (HICS IV), detail the changes to the organizational chart, job action sheets and forms as well as provide an overall context for implementation of HICS IV. Program participants will receive a copy of a HICS IV Quick Reference Manual.

TARGET AUDIENCE

- ▼ Recommended for hospital emergency managers, emergency planners and administrative staff with responsibility for hospital emergency preparedness and disaster response

MODALITY

- ▼ Instructor-led

HICS IV WORKSHOP TOPICS INCLUDE:

- ▼ Learn the advantages of HICS IV
- ▼ Understand changes to the organization chart
- ▼ Become familiar with the HICS IV job action sheets and forms
- ▼ Discuss the overall context for implementation of HICS IV
