

# How do I know which protective clothing to use?

Current status	Order	Droplet precautions (not COVID)
	#1	Isolation Gowns
	#2	<p><b><u>Alternative Protective Clothing</u></b></p> <ul style="list-style-type: none"> <li>• Lab Coats and Frocks               <ul style="list-style-type: none"> <li>• Coveralls</li> <li>• Aprons</li> <li>• Other</li> </ul> </li> </ul>

## Notes

- Products in the current status or higher are acceptable for use
- Surgical gowns are used only for sterile procedures (e.g. operating room)
- For available product pictures and INFOR details refer to the COVID-19 Intranet Site - PPE link
