To help prevent the spread of coronavirus (COVID-19) and for the safety of our patients, we are limiting visitation.

- Only one care partner/guest per patient will be allowed at any time.

- Care partner/guest must be age 18 and over.

- Do not accompany patients if you have the following symptoms: fever, cough, runny or stuffy nose, sore throat, chills.

- Do not visit if you have had contact with someone with coronavirus (COVID-19).

- Do not visit if you have traveled internationally within the last 14 days.

- Please proceed to the reception desk where staff will ask you about possible symptoms.

Thank you for your cooperation and help in reducing the risk of spreading coronavirus in our communities.
