

Yale New Haven Health System (YNHHS)
Financial Assistance Policy - Provider List

All physicians and providers employed by Bridgeport Hospital (BH), Greenwich Hospital (GH), Lawrence and Memorial Hospital (LMH), Westerly Hospital (WH), and Yale New Haven Hospital (YNHH) are covered under the YNHHS Financial Assistance Policy (FAP).

The following is a list of providers rendering care in YNHHS hospitals that are covered under the YNHHS FAP. If the provider is not covered under the YNHHS FAP, patients should contact the provider's office to determine if the provider offers financial assistance and if so, how to become eligible, and for what services the provider's financial assistance policy covers.

While the YNHHS FAP does not apply to Northeast Medical Group (NEMG), NEMG providers that practice in the Hospital subdivision will honor the charity care, including but not limit to Free Care and Discounted Care, granted by YNHHS Hospital's Corporate Business Services.

This listing is effective as of 09/11/20, and is updated quarterly. If you do not see a physician or provider listed here and want to verify whether that person is currently covered under the YNHHS FAP, please call Patient Financial and Admitting Services at 855-547-4584.
